### **Creating High Performance Teams with Perfect Pitch**

Are your teams singing off the same song sheets? Building high performance teams without paying attention to the music they make, guarantees wrong notes later. Leaders who learn to direct the complex relationships necessary to turn a group into a team position themselves and their teams for performances that demand an encore.

During this highly interactive, engaging, and content-packed session led by trainer and speaker, Chris Clarke-Epstein, CSP, you'll learn and practice specific communication, trust-building, and creativity skills that will create harmony and make the music they sing sound sweet.

This custom designed program filled with Chris Clarke-Epstein's well-known style—a balanced blend of humor and substance—will add to your meeting as an exciting opportunity for learning, involve attendees in positive participation, and ready them for practical action when they return to their offices.
